# Your Service!

APICS is pleased to recognize the incoming chapter presidents, who will contribute their time, energy, and leadership to ensure the vitality of their APICS chapter. Their guidance and innovative thinking will be instrumental in shaping their chapter during the coming year and beyond. We encourage new chapter presidents to look to former chapter leaders to learn from their successes as they undertake this challenging and rewarding leadership role in the APICS community.

Join APICS in congratulating the incoming 2010-2011 chapter presidents.
