

# WHAT CAN YOUR LOCAL APICS PARTNER DO FOR YOU?

APICS partners offer benefits you can't find anywhere else to help you advance your career.

APICS The Association for Operations Management is the leader in membership, certification, and education programs serving nearly 40,000 members globally. APICS certification programs are recognized worldwide as the standard of professional excellence in supply chain and operations management.

What you get when you join APICS is more than a membership with the industry leader in supply chain and operations management. What you get is a community. Your local APICS partner is dedicated to providing you with resources to take full advantage of all APICS has to offer.

## Benefits your local APICS partner offers

**NETWORKING:** Get to know operations and supply chain professionals in your area.

**OPPORTUNITY:** Involvement with your local APICS partner yields valuable industry connections that could lead to your next job, or provide you with opportunities to have an impact on your community.

**EDUCATION:** APICS partners offer courses in your area to help you expand your professional knowledge and skills and make yourself more employable.
